

# ANESTHESIOLOGY

## Volume 4

### INDEX TO SUBJECTS

Items having boldface figures indicate titled subjects of articles

- Abdominal operations, lung volume after, **385**  
Abscess, submandibular, anesthesia for, **25**  
Acute massive collapse, **298**, **437**  
Acute pulmonary edema, **508**  
Adrenal cortical extract in shock, **504**  
Age, effect on choice of anesthetics, **17**  
Air, intravenous injection, **202**  
Airway,  
    during pentothal anesthesia, **536**  
    importance, **621**  
    increased pressure in, circulatory effects, **612**  
Albumin, use in shock, **506**  
Alcohol, nerve block, **303**  
    effect on nerve, **467**  
Amylene hydrate,  
    anesthetic action, **525**  
    effect on bronchi, **253**  
Analeptics, after pentothal, **180**  
Anatomy,  
    for caudal anesthesia, **182**  
    related to peridural anesthesia, **376**  
    stellate ganglion, **150**  
Anesthesia,  
    block,  
        abdominal, **518**  
        caudal, **517**  
        continuous caudal, **181**  
        complication, **517**  
        diagnostic, **153**, **301**, **363**  
        effect on temperature, **398**  
        peridural, **372**  
        skin marking for, **312**  
        stellate ganglion, **153**, **403**  
        sympathetic, **301**, **363**, **404**  
        temperature during, **398**  
        therapeutic, **153**, **301**  
        tibial, **398**  
        wartime use, **517**, **622**  
    continuous caudal, **181**  
        effect on fetus, **187**  
    continuous spinal, wartime use, **519**  
    death, **233**, **293**  
    development, **409**  
    diagnostic,  
        in hypertension, **363**  
        wartime use, **518**  
    effect of war, **637**  
    food before, **81**  
    for dentistry, pentothal sodium, **174**  
    for esophageal operations, **274**  
    for Ludwig's angina, **25**  
    for sympathectomy, **361**  
    for thoracic operations, anoxia in, **266**  
    geriatrics and, **17**  
    history, **279**, **409**, **540**, **596**  
    intratracheal,  
        after laryngectomy, **277**  
        development, **409**  
        for esophageal operation, **275**  
        improved technic, **6**  
        with pentothal induction, **71**  
        with topical anesthesia, **27**  
    intravenous,  
        for dentistry, **174**  
        wartime, **67**, **70**, **74**, **534**, **621**  
    nerve block, diagnostic, **301**  
    obstetric, continuous caudal, **185**  
    paravertebral, role in atelectasis, **297**  
    peridural segmental, **372**  
        drugs for, **528**  
    positive pressure, effect on circulation, **612**  
    records, **312**  
    reflexes during, **345**  
    refrigeration, **12**  
    shock during, **247**  
        effect of premedication, **475**  
    signs, continuous caudal, **192**  
    spinal,  
        complications, **519**, **625**, **640**  
        effect of hypertension, **364**  
        effect on small intestine, **588**  
        for diabetic patient, **625**  
        for geriatrics, **20**  
        temperature during, **393**  
        wartime use, **516**, **518**, **621**  
    temperature during, **392**  
    therapeutic, wartime, **518**  
    wartime, **67**, **70**, **74**, **516**, **534**, **619**  
Anesthesiology, in wartime, **433**, **619**  
Anesthetics,  
    effect in shock, **247**  
    effect on bronchi, **253**  
    effect on small intestine, **577**  
    explosion of, **306**  
    in oil, effect on nerve fiber, **465**  
    inflammability, **441**  
    local, **528**  
    long acting local, **303**  
Anoxia,  
    during intrathoracic operations, **266**  
    effect on heart, **31**  
Apparatus  
    anesthetic, historical, **410**  
    arm holder, **644**

### INDEX TO SUBJECTS

Items having boldface figures indicate titled subjects of articles

- Abdominal operations, lung volume after, **385**  
Abscess, submandibular, anesthesia for, **25**  
Acute massive collapse, **298**, **437**  
Acute pulmonary edema, **508**  
Adrenal cortical extract in shock, **504**  
Age, effect on choice of anesthetics, **17**  
Air, intravenous injection, **202**  
Airway,  
    during pentothal anesthesia, **536**  
    importance, **621**  
    increased pressure in, circulatory effects, **612**  
Albumin, use in shock, **506**  
Alcohol, nerve block, **303**  
    effect on nerve, **467**  
Amylene hydrate,  
    anesthetic action, **525**  
    effect on bronchi, **253**  
Analeptics, after pentothal, **180**  
Anatomy,  
    for caudal anesthesia, **182**  
    related to peridural anesthesia, **376**  
    stellate ganglion, **150**  
Anesthesia,  
    block,  
        abdominal, **518**  
        caudal, **517**  
        continuous caudal, **181**  
        complication, **517**  
        diagnostic, **153**, **301**, **363**  
        effect on temperature, **398**  
        peridural, **372**  
        skin marking for, **312**  
        stellate ganglion, **153**, **403**  
        sympathetic, **301**, **363**, **404**  
        temperature during, **398**  
        therapeutic, **153**, **301**  
        tibial, **398**  
        wartime use, **517**, **622**  
    continuous caudal, **181**  
        effect on fetus, **187**  
    continuous spinal, wartime use, **519**  
    death, **233**, **293**  
    development, **409**  
    diagnostic,  
        in hypertension, **363**  
        wartime use, **518**  
    effect of war, **637**  
    food before, **81**  
    for dentistry, pentothal sodium, **174**  
    for esophageal operations, **274**  
    for Ludwig's angina, **25**  
    for sympathectomy, **361**  
    for thoracic operations, anoxia in, **266**  
    geriatrics and, **17**  
    history, **279**, **409**, **540**, **596**  
    intratracheal,  
        after laryngectomy, **277**  
        development, **409**  
        for esophageal operation, **275**  
        improved technic, **6**  
        with pentothal induction, **71**  
        with topical anesthesia, **27**  
    intravenous,  
        for dentistry, **174**  
        wartime, **67**, **70**, **74**, **534**, **621**  
    nerve block, diagnostic, **301**  
    obstetric, continuous caudal, **185**  
    paravertebral, role in atelectasis, **297**  
    peridural segmental, **372**  
        drugs for, **528**  
    positive pressure, effect on circulation, **612**  
    records, **312**  
    reflexes during, **345**  
    refrigeration, **12**  
    shock during, **247**  
        effect of premedication, **475**  
    signs, continuous caudal, **192**  
    spinal,  
        complications, **519**, **625**, **640**  
        effect of hypertension, **364**  
        effect on small intestine, **588**  
        for diabetic patient, **625**  
        for geriatrics, **20**  
        temperature during, **393**  
        wartime use, **516**, **518**, **621**  
    temperature during, **392**  
    therapeutic, wartime, **518**  
    wartime, **67**, **70**, **74**, **516**, **534**, **619**  
Anesthesiology, in wartime, **433**, **619**  
Anesthetics,  
    effect in shock, **247**  
    effect on bronchi, **253**  
    effect on small intestine, **577**  
    explosion of, **306**  
    in oil, effect on nerve fiber, **465**  
    inflammability, **441**  
    local, **528**  
    long acting local, **303**  
Anoxia,  
    during intrathoracic operations, **266**  
    effect on heart, **31**  
Apparatus  
    anesthetic, historical, **410**  
    arm holder, **644**

- canister for soda lime, 160
- carbon dioxide absorption, early models, 596
- chair for moving patients, 178
- for blood transfusion, 203
- for continuous caudal, 189
- for continuous spinal, metal protector, 645
- for ether insufflation, 311
- for inflating cuff on intratracheal tube, 10
- for intravenous anesthesia, 174, 547, 642
- for oxygen administrations, 48, 177
- funnel, 545
- gas machines, early models, 423
- intratracheal tube with cuff, 9
- laryngoscope with thin blade, 27
- syringe holder, 547, 644
- resuscitation, 438, 608
- Arteriospasm, relief, 153
- Atelectasis, 293, 308, 437
  - after spinal anesthesia, 520
  - during anesthesia, 293
  - postoperative, 308
- Atropine sulfate,
  - effect in shock, 475
  - effect on bronchi, 258, 369
  - effect on respiration, 347
  - effect on small intestine, 583, 584
  - intravenously, during cyclopropane, 204
- Barbiturates,
  - concentration in blood, 113
  - concentration in brain, 118
  - effect in shock, 247, 475, 503
  - effect on bronchi, 253
  - recovery from tissues, 114
- Binders, effect on lung volume, 385
- Blood,
  - barbiturates in, 113
  - donor, fatality, 202
  - epinephrine-level, effect of cyclopropane, 31
  - flow, in shock, 500
  - glucose level, effect of cyclopropane, 31
  - oxygen, 266
    - during nitrous oxide anesthesia, 145
  - plasma, in shock, 504
  - pressure,
    - during shock, 500
    - effect of anesthetics, 247, 364
    - effect of premedication, 238, 477
    - effect of splanchnicectomy, 366
    - tests of, 363
  - replacement, in shock, 504
  - serum, in shock, 504
  - transfusion, 203
  - vessel, diseases, nerve block, 301
  - volume, in shock, 500
- Brain, concentration of barbiturates in, 118
- Bronchi, effect of anesthetics, 253
- Bronchospasm,
  - during anesthesia, 276
  - during sympathectomy, 369
- Butyn, effect on respiration, 347
- Carbon dioxide,
  - effect on temperature, 396
  - inadequate elimination of, 603
- Carbon dioxide absorption, 160, 596
- Causalgia, relief, 153, 301
- Cerebral vascular occlusions, block anesthesia in, 403
- Children, effect of pentothal, 180
- Chloroform, effect on bronchi, 253
- Circulation, effects of pressure in airway, 612
- Cocaine,
  - spray, before intubation, 27
  - with epinephrine, effect on pupil, 152
- Codeine sulfate, postoperative effect, 430
- Complemental air, 386
- Complications,
  - after block anesthesia, 517
  - after continuous caudal block, 193
  - after intubation, 6
  - after spinal anesthesia, 519, 640
  - after sympathectomy, 367
  - atelectasis, 293, 308, 437, 520
  - decerebrate rigidity, 543
  - intestinal, effect of drugs, 577
  - postoperative,
    - effect of narcotics, 430
    - in aged persons, 23
    - pulmonary edema, 263
- Concentrated human serum albumin, 506
- Coronary pain, relief with intravenous morphine, 61
- Cyanosis, 266
- Cyclopal sodium, pharmacology of, 135
- Cyclopropane,
  - atropine during, 204
  - bradycardia during, 204
  - bronchospasm during, 276
  - effect on blood glucose levels, 31
  - effect on blood-epinephrine, 31
  - effect on bronchi, 253
  - effect on heart, 487
  - effect on small intestine, 587
  - effect on temperature, 394
  - in geriatrics, 20
  - in hypertension, 365
  - pulmonary edema, during, 513
  - under increased pressure, effect on circulation, 612
- Dead space, importance in anesthesia, 603
- Decerebrate rigidity, 543
- Demerol, 126
- Dentistry, pentothal anesthesia for, 174
- Diabetes, complication during anesthesia, 625
- Diagnosis,
  - anesthesia for, 363, 518
  - value of morphine, 61
- Digitalis, use of, effect on choice of anesthetic, 366
- Dilaudid hydrochloride, postoperative effects, 430
- Diothane ointment, 27

- Distention,
  - effect of drugs, 577
  - effect on lung volume, 385
- Drugs,
  - analeptic, after pentothal, 180
  - anesthetic, effect on bronchi, 253
  - autonomic, effects during anesthesia, 258
  - effect on small intestine, 577
  - intravenous administration, 53
  - local anesthetic, for peridural anesthesia, 528
  - narcotic, postoperative effects, 430
  - vasoconstrictive,
    - during spinal, 519
    - in shock, 503
- Dyspnea, relief with intravenous morphine, 61
- Electronarcosis, 630
- Ephedrine sulfate,
  - after splanchnicectomy, 366
  - effect on bronchi, 258
  - effect on temperature, 400
- Epinephrine,
  - after splanchnicectomy, 366
  - during cyclopropane anesthesia, 31
  - during trichlorethylene anesthesia, 3
  - effect on bronchi, 258
  - in local anesthetic solutions, 517
  - with cocaine, effect on pupil, 152
- Ergotamine tartrate, effect during anesthesia, 259
- Eserine salicylate, effect on bronchi, 258
- Esophagus,
  - operations of, anesthesia for, 274
  - reflexes, effect on respiration, 345
- Ether
  - cyclopropyl methyl, effect on bronchi, 253
  - diethyl,
    - apparatus for, 311
    - effect of premedication, 475
    - effect on bronchi, 253
    - effect on shock, 247
    - effect on small intestine, 585
    - under increased pressure, effect on circulation, 612
  - propyl methyl, effect on bronchi, 253
  - vinyl, effect on bronchi, 253
- Ethyl chloride, effect on bronchi, 253
- Ethylene,
  - effect on bronchi, 253
  - effect on small intestine, 587
  - for intrathoracic operations, 267
- Ethylene-oxygen-ether, effect on small intestine, 589
- Eucupin, in oil, 466
- Evipal soluble, 68
  - dangers, 76
  - effect on bronchi, 259
- Explosion, of anesthetic gases
  - in closed system, 604
  - precautions, 306
- Extradural space, 377
- Eyebrow pencil, skin marker, 312
- Fluids, intravenously,
  - complication, 641
  - during sympathectomy, 369
  - effect on lung volume, 385
  - replacement in shock, 504
- Food,
  - before anesthesia, 81
  - before pentothal anesthesia, 179
  - effect on intestinal motility, 578, 581
- Fractures, role in shock, 502
- Functional residual air, 385
- Funnel, for pouring ether, 545
- Gas pains, effect of drugs, 577
- Gases, inflammability, 604
- Gastric tube, insertion in unconscious patient, 81
- Geriatrics, anesthesia in, 17
- Heart,
  - disease, intravenous morphine, 61
  - effect of cyclopropane, 31, 204, 487
  - effect of trichlorethylene, 1
  - in hypertensive patient, 365
- Heat,
  - external, value in shock, 503
  - of carbon dioxide absorption, 602
- Hemoconcentration,
  - effect of premedication, 477
  - in shock, 500
- Hemoglobin, concentration, effect of anesthetics, 247
- Hemorrhage, control, 502
- Hirschsprung's disease, treatment, 302
- Homatropine, effect on sympathectomized pupil, 152
- Hormones, steroid, anesthetic effects, 36
- Horner's syndrome, 152
- Human serum albumin, 506
- Hyoscine hydrobromide, effect on bronchi, 258
- Hypertension,
  - operation for, anesthetic management, 361
  - treatment, splanchnic block, 304
- Hypoglycemia, effect on body functions, 625
- Ice water, test of vascular response, 363
- Intracaine, peridural block with, 372, 528
- Intratracheal tubes, dangers in use, 6
- Intubation,
  - aid in passing gastric tube, 81
  - effect on respiration, 346
  - under topical anesthesia, 27
- Insulin shock, 627
- Intestine, small, effect of drugs, 577
- Kidney, in hypertension, effect of anesthetics, 365
- Laryngectomy, intubation after, 277
- Laryngeal edema, 307
- Laryngospasm, during pentothal anesthesia, 537

- Long, Crawford Williamson, 279  
 Ludwig's angina, anesthesia for, 25  
 Lung,  
     collapse, during anesthesia, 368  
     effect of anesthetics, 253  
     thymic tissue in, 233  
     volume, after abdominal operations, 385
- Medical societies, 197  
 Metabolites, effect on respiration, 348  
 Meters, on gas machines, 602  
 Metrazol, after pentothal, 180  
 Metycaine,  
     for continuous caudal analgesia, 181  
     wartime use, 517  
 Morphine acetate, 54  
 Morphine sulfate,  
     compared to Demerol, 126  
     effect, 238  
     effect in shock, 475  
     effect on bronchi, 260  
     effect on small intestine, 583, 584  
     effect on temperature, 398  
     intravenously, 53  
         side reactions, 63  
     postoperative effects, 430  
     role in shock, 502  
     use before barbiturate, 76  
 Mouth, reflexes, effect on respiration, 345  
 Muscle, effect on respirations, 345
- Narcotics, postoperative effects, 430  
 Needles, broken, 193  
 Nembutal (see pentobarbital sodium)  
 Neosynephrin, after splanchnicectomy, 366  
 Nerves,  
     effect of anesthetics in oil, 465  
     sympathetic, block, 301  
     visceral, 377  
 Nervous system, autonomic, effect of anesthetics, 260  
 Nitrous oxide,  
     effect on arterial oxygen tension, 145  
     effect on arterial spasm, 400  
     effect on bronchi, 253  
     effect on small intestine, 587  
 Nitrous oxide-oxygen-ether,  
     effect on small intestine, 589  
 Novatropine, effect on bronchi, 258  
 Nupercaine,  
     in oil, 466  
     wartime use, 517
- Oil anesthetics, effect on nerves, 465  
 Oil of almonds, anesthetics in, 466  
 Oxygen,  
     blood, 266  
     during intravenous anesthesia, 76  
     during spinal anesthesia, 520  
     effect of drugs, 238  
     in shock, 247, 503  
     inhalation, effect on temperature, 396  
     postoperatively, 267  
 Oxygen tension, arterial, during nitrous oxide, 145  
 Oxygen therapy,  
     apparatus, 48  
     nasotracheal airway, 29
- Pain,  
     effect of cold, 13  
     effect of morphine intravenously, 58  
     effect on lung volume, 385  
     of embolic origin, 153  
     role in shock, 502  
 Pantopon, postoperative effects, 431  
 Paraldehyde, effect on bronchi, 253  
 Pentobarbital sodium,  
     effect on shock, 247, 475  
     recovery from tissues, 114  
     with scopolamine, effects, 238  
 Pentothal sodium,  
     dangers, 68  
     diagnostic use, 363  
     effect on shock, 247  
     effect on small intestine, 584  
     effect on temperature, 394  
     for case of gunshot wound, 70  
     for dental surgery, 174  
     induction to ether, effect on small intestine, 588  
     precautions in use, 77  
     rate of injection, effect on small intestine, 584  
     stability of solution, 642  
     use in geriatrics, 20  
     wartime use, 68, 70, 521, 534, 621  
     with nitrous oxide-oxygen, effect on small intestine, 589  
 Phenobarbital, effect on bronchi, 253  
 Phlegmasia alba dolens, treatment, 302  
 Physostigmine, effect on respiration, 348  
 Picrotoxin, after pentothal, 180  
 Pneumothorax,  
     after resuscitation, 437  
     during anesthesia, 368
- Position,  
     after shock, 503  
     effect on lung volume, 385  
 Postoperative care, 296  
     after sympathectomy, 369  
 Premedication,  
     before pentothal anesthesia, 179, 537  
     before thoracic operations, 277  
     Demerol, 126  
     effect in atelectasis, 295  
     effect in shock, 475  
     effect on small intestine, 577  
     in hypertension, 365  
     wartime use, 522
- Procaine,  
     block,  
         peridural, 381, 528  
         stellate ganglion, 153, 404

- sympathetic nerve, 301
- effect on bronchi, 258
- in oil, 466
- spinal anesthesia, effect on small intestine, 588
- Prostigmine, effect on bronchi, 260
- Pulse,
  - during shock, 499
  - rate, effect of premedication, 238
- Pulmonary edema, 508, 640
  - during anesthesia, 263
- Pupil, effect of drugs, 238
- Reflexes, respiratory, 345
- Refrigeration, anesthesia, 12
- Reserve air, 385
- Residual air, 385
- Respiration,
  - effect of premedication, 238
  - reflex stimulation, 345
- Respiratory obstruction, laryngeal edema, 307
- Resuscitation,
  - apparatus for, 608
  - of infants, 438
- Scopolamine hydrobromide,
  - with Demerol, 129
  - with pentobarbital sodium, 238
- Serum albumin, concentrated, human, 506
- Shock,

## BOOKS REVIEWED

	PAGE		PAGE
Andrews, Albert H., Jr.: Manual of oxygen therapy techniques. Chicago, The Year Book Publishers, Inc., 1943, 191 pp., 33 illustrations. Price, cloth \$1.75.....	305	Interscience Publishers, Inc., 1943, 373 pp., 80 illustrations and frontispiece. Price, \$5.50.....	639
Christopher, Frederick: A textbook of surgery. Third Edition. Philadelphia and London, W. B. Saunders Company, 1942, 1764 pp., 1538 illustrations, 771 figures. Price, \$10.00.....	79	Jordan, Edwin P.: Standard nomenclature of disease and standard nomenclature of operations. Third Edition. Chicago, American Medical Association, 1942, 1022 pp. Price, fabrikoid \$4.00.....	78
Cole, Warren H., Puestow, Charles B. and others: First aid. Surgical and medical. New York, D. Appleton-Century Com- pany, 1942, 374 pp., 186 illustrations. Price, \$3.00.....	79	Livingston, W. K.: Pain mechanisms. New York, The Macmillan Company, 1943, 253 pp. Price, cloth \$3.75.....	542
Gellhorn, Ernst: Autonómic regulations: their significance for physiology, psychol- ogy and neuropsychiatry. New York,		Lundy, John S.: Clinical anesthesia: a man- ual of clinical anesthesiology. Philadel- phia and London, W. B. Saunders Com- pany, 1942, 771 pp., 266 illustrations. Price, \$9.00.....	200

## BOOKS RECEIVED

	PAGE		PAGE
<i>Skin Grafting of Burns.</i> By James Barrett Brown, Lt. Col., M. C., A.U.S., and Frank McDowell, Assistant in Clinical Surgery, Washington University, St. Louis, Missouri. Price, \$5.00. Pp. 204, with 131 illustrations. Philadelphia: J. B. Lippincott Company, 1943.....	639	<i>A Hundred Years of Medicine.</i> By C. D. Haagensen and Wyndham E. B. Lloyd. Price, \$3.75. Pp. 444. New York: Sheridan House, Inc., 1943.....	639
		<i>Hope Deferred.</i> By Jeanette Seletz. Price, \$2.75. Pp. 536. New York: The Mac- millan Company, 1943.....	639

## TABLES, ILLUSTRATIONS, ETC.

	PAGE		PAGE
Drawing—New type tracheal tube cuff...	7	Table—Cases of drainage of submandibu- lar abscesses.....	26
Pictures—New type tracheal tube cuff... 8, 9		Picture—Laryngoscope with thin blade...	27
Pictures—Manometer and new type tra- cheal tube cuff.....	10	Sketches—Intratracheal anesthesia for drainage of submandibular abscess.....	28
Tables—Geriatrics and anesthesia.....	20, 21	Table—Anesthetic activity of steroids. 39, 40	
	22, 23		41, 42

- Sketches—New oxygen therapy apparatus 49, 50
- Photographs—New oxygen therapy apparatus in use. . . . . 51, 52
- Table—Side reactions after intravenous morphine. . . . . 63
- Table—Recovery of pentobarbital sodium and sodium amytal from blood and from water. . . . . 116
- Graphs—Concentration of barbiturates in blood. . . . . 117, 118  
119, 121  
122, 123
- Tables—Demerol premedication. . . . . 128, 130
- Tables—Lethal dose, anesthetic dose, etc. of cyclopal. . . . . 136, 137  
138, 139  
141, 142
- Tables—Arterial oxygen tensions. . . . . 146
- Graph—Arterial oxygen tensions. . . . . 147
- Sketch—Artificial breathing machine. . . . . 161
- Table—Characteristics of soda lime canisters. . . . . 163
- Sketch—Modification of standard soda lime canister. . . . . 164
- Table—Resistance in soda lime canisters. 164
- Graphs—Dead space in rebreathing units 166, 167  
168, 169
- Picture—Stand for apparatus and arm board for administration of pentothal sodium. . . . . 175
- Picture—Pentothal equipment in use. . . . . 176
- Picture—Oxygen administration apparatus 177
- Picture—Chair for transporting patient. . 178
- Picture—Unusual types of sacra. . . . . 183
- Table—Intramuscular injection of mety-  
caine, effects on rabbits. . . . . 187
- Table—Metycaine, dosage equivalents. . . 188
- Picture—Equipment for continuous caudal  
analgesia. . . . . 190
- Picture—Blood transfusion equipment,  
donor vent tube and bottles. . . . . 203
- Picture—Blood transfusion equipment, re-  
cipient vent tube and apparatus in use. 204
- Pictures—Aberrant thymic tissue in lung 234, 235  
236
- Graphs—Effects of nembutal and scopol-  
amine on human subjects. . . . . 239, 240  
241, 242  
243, 244  
245
- Tables—Traumatic shock under certain  
anesthetics. . . . . 249, 250  
251
- Photomicrographs—Response of bronchi  
to various anesthetics. . . . . 255
- Tables—Effect of anesthetics on bronchi 256, 257
- Tables—Anoxia in intrathoracic operations 269, 270  
271
- Table—Tetrachlorethylene, cases. . . . . 289
- Pictures—Postoperative atelectasis, x-rays 308, 309  
310
- Picture—Ether insufflation bottle. . . . . 311
- Tracings—Reactions of respirations to  
stimulation. . . . . 349, 350  
351, 352  
353, 354  
355, 356  
357
- Pictures—Steps in extradural puncture. . . 374, 375
- Drawing—Schematic representation of  
sensory fibers of viscera. . . . . 377
- Table—Peridural anesthesia. . . . . 379
- Graphs—Changes in lung volume. . . . . 386, 387  
388, 389
- Graphs—Skin temperatures during anes-  
thesia. . . . . 393, 394  
395, 396  
397, 398  
399
- Table—Stellate ganglion block. . . . . 403, 405
- Drawing—Fell-O'Dwyer apparatus. . . . . 411
- Drawing—Matas modification of O'Dwyer  
apparatus. . . . . 412
- Photograph—Dennis E. Jackson. . . . . 413
- Picture—Dennis E. Jackson's first anes-  
thetic apparatus. . . . . 415
- Photograph—Arthur E. Guedel. . . . . 416
- Photograph—Wesley Bourne. . . . . 417
- Pictures—Letters from the Royal Society  
to Dr. Bourne. . . . . 418, 419
- Drawing—Infant resuscitation. . . . . 439
- Tables—Inflammability of trichlorethyl-  
ene-oxygen-nitrogen mixtures. . . . . 442
- Graph—Inflammability of trichlorethyl-  
ene-oxygen-nitrogen mixtures. . . . . 443
- Table—Ignition temperatures of trichlor-  
ethylene in air and oxygen. . . . . 444
- Table—Results of injections of anesthetics  
in oil. . . . . 468, 469
- Photomicrographs—Nerves after injection  
of anesthetics in oil. . . . . 471
- Tables—Premedication, effects in shock. . 476, 477
- Graph—Premedication, effect on hemo-  
concentration, blood pressure. . . . . 481
- Table—Cardiac irregularities during cyclo-  
propane-oxygen anesthesia. . . . . 489
- Tracings—Experimental study, effects of  
cyclopropane on heart. . . . . 490, 491  
492
- Picture—Flat plate of the chest, acute  
pulmonary edema. . . . . 512
- Table—Wartime anesthesia, types of anes-  
thesia administered. . . . . 522
- Table—Effect of various doses of amylene  
hydrate. . . . . 525, 526
- Tables—Toxicity of procaine and of intra-  
caine. . . . . 528, 530

Graph—Relative toxicity of procaine and of intracaine.....	531	Picture—Franz Kühn's anesthetic apparatus.....	599
Sketches—Funnel.....	546	Pictures—Resuscitation apparatus..	609, 610
Picture—Syringe holder.....	547	Tracings—Effects of elevating pressure of breathing bag.....	614, 615
Kymogram—Effect of morphine on activity of jejunum.....	583	Table—Effects of elevating pressure of breathing bag.....	616
Kymograms—Effect of pentothal sodium on activity of jejunum.....	585	Oscillogram—Mechanical interrupter....	632
Kymogram—Effect of ether on activity of jejunum.....	586	Graph—Electronarcosis.....	633
Kymogram—Effect of ethylene-oxygen on activity of jejunum.....	587	Scheme—Theory of electron flow in nerves	635
Kymogram—Effect of spinal anesthesia on activity of jejunum.....	589	Table—Amounts pentothal sodium used and wasted.....	642
Sketch—Scheele's experiment [carbon dioxide absorption].....	597	Sketch—Pentothal dispensing bottles....	643
Picture—Model of closed respiratory system.....	598	Picture—Syringe holder.....	643
		Picture—Arm-holder.....	644
		Sketch—Arm-holder.....	645
		Sketches—Metal protector for needle in continuous spinal anesthesia.....	646

## MISCELLANY

	PAGE		PAGE
American Society of Anesthetists, Inc.		Anesthesiology	
Anesthesia Essay.....	436	Bindings for.....	66, 201
Announcements of Meetings.....	16, 125		273, 402
	474, 618		533, 624
Application for Membership.....		Removal of Business Office.....	435
